Once you have set up your account will be able to purchase a **Figure Skating Account** which is a group of credits to use for your skating needs. If you buy more credits at once you will receive a better price per credit. When this is completed you can go online and book each session or class for which your skater wishes to skate.

- ◆ You will now be required to purchase **CREDITS**. Each service will deduct credits from your account.
- ◆ *For example a 30 minute freestyle will require 2 credits, a Senior Blades Power Class will require 3 credits, and Junior Blades will require 10 credits.*
- ◆ You can purchase various amounts of credit. You can buy just 2 credits or up to 80 credits at once. The more credits you purchase at once {series} the less you will pay per credit.

\$10.00 Single (30 minute) Freestyle Session (2 credits) (\$10 per freestyle)

\$45.00 Figure Skating Account (10 Credits) (\$9.00 per freestyle)
