

AERODROME ICE SKATING COMPLEX

SUMMER 2017 LEARN TO SKATE “PICK & SKATE”

We know that you like to take family time during the summer months. That's OK ! We Understand! In-fact during the summer the Aerodrome has created a 'Drop In' program that will accommodate all skaters and families! The concept is pretty simple. You will purchase a package of online passes for your skater(s). Packages can be as few as one session to an unlimited package. Once you have purchased your Learn to Skate (Pick & Skate) class passes, you will then go online and reserve each class (Summer 2017 tab) on the days and time that you wish to skate from the classes listed on this flyer. You will need to reserve your space for each class at least **12 hours** in advance. These passes can **only** be applied to our Summer 2017 classes. If you need to cancel your class you may do so through your online account. You must cancel at least 1 hours prior to the start of the class.

Extra Practice Ice Time

The Aerodrome wants you to make the most of your skating experience. Improving skating skills takes time. It is not a case of just turning up for your lesson each week! Like most sports practice is the key to success! The Aerodrome is pleased to offer all Learn to Skate registrants the opportunity to skate on one of our dedicated one hour **Learn to Skate Practice Sessions**. These sessions are scheduled around the same times as the Learn to Skate class and are ideal for skaters wanting to spend more time on the ice! Unlike public sessions there is no loud music or dimmed lighting. Many students use this time to take private lessons or just have fun with new friends. **The additional fee is only \$6.00 which is paid per session at the Pro-Shop.**

Wednesday Public Session 11:50 - 4:20pm

Thursday Public Session 11:50 - 4:20pm
